NOTES AND PRECIS.

The following two temporary posts were created in the Bowring and Lady Curzon Hospitals with effect from the dates noted against each for a period of one year in the first instance

(1) Sergeant on Rs.35-2-75. 1-11-1935

In August 1936 the Residency Sugeon submitted proposals for making the posts permanent as he was satisfied that the posts had justified their existence and their retention was desirable in the interests of the Hospitals. He accordingly included provision in respect of these posts in the Budget for 1937-38 under Part II Fresh Charges.

S. N 2 (D)
F.1397-36

In view however of the need for strict reduction of expenditure, it was not found possible to include fresh items of expenditure in the budget for 1937-38. Provision for the Sergeant and Sub Assistant Surgeon was not therefore included in the budget for 1937-38; but the posts were continued temporarily for another year the expenditure being met by re-appropriation from other sanctioned heads. The present sanction for the continuance of the post of Sergeant expires on 31st October 1937 and that for the Sub Assistant Surgeon on 31st May 1938.

The Residency Surgeon has now repeated his proposals for making the posts permanent from 1938-39 and has included provision accordingly in the proposed budget for 1938-39 under Part II Fresh Charges. The financial position of the Assigned Tract will be known only after consolidation all the budget estimates for 1938-39; If approved the question of making these posts permanent may be considered

The temporary post of sergeant may however be continued up to 28th February 1938. Draft submitted for approval.
